

# nothing in common binoculars

The two characters in the book think that they have nothing in common, but they see the same thing when they look through their binoculars. What marvelous things do you see when you look through your binoculars? If you don't have binoculars, try making play binoculars with paper tubes, or hold your hands up in a circle.

Draw what you see in the space below.

# what do you think makes a true friend?

Add to the below list of traits that a good friend should have.

Kind

---

A good imagination
